SWISS CYBER AI

Swiss Cyber AI Conference 2027Agenda

Agenda Overview – Swiss Cyber AI

📍 Palazzo dei Congressi, Lugano
📅 4 & 5 May 2027 from 09:00 till 18:30

	4 May: Securing the Digital Enterprise	5 May: Building the Intelligent Enterprise
	Registration Coffee	Registration Coffee
10:00 -	Main Stage / Hall A Panel Discussions Cybersecurity	Main Stage / Hall A Panel Discussions Articial Intelligence
12:00 -	Lunch Break Networking	Lunch Break Networking
14:00 -	Main Stage / Hall A Cybersecurity Keynotes	Main Stage / Hall A Cybersecurity Keynotes

16:00 -	Main Stage / Hall A Artificial Intelligence Keynotes	Main Stage / Hall A Artificial Intelligence Keynotes

Main Stage – Cybersecurity

Time	Session Title	Format & Focus
10:00 - 10:10	**Grand Opening**	**Welcome to Swiss Cyber AI Conference** • **Co-Founder: Taisiia Onykiienko**
10:10 – 10:30	🎯 **Opening Panel: Cybersecurity in the Agentic Era**	Why deterministic security is no longer enough when AI agents, automation, and machine-speed attacks enter the enterprise.
10:30 – 11:00	🎯 **Panel: Panel: The Future of the CISO — From Risk Owner to Business Enabler**	CISO role, board reporting, cyber resilience, regulation, and business responsibility.
11:00 – 11:30	🏛️ **Panel: Zero Trust, Identity & Access in a Borderless Enterprise**	Zero Trust, MFA, PAM, identity governance, external users, SaaS access, and conditional access.
11:30 – 12:00	🏛️ **Fireside Chat: Ransomware, Insurance & Reputation Damage**	The real cost of breaches: business interruption, insurance, legal exposure, customer trust, and media impact.
12:00 – 14:00	🥪 **Lunch Break**	**Networking**
14:00 – 14:30	🎯 **Panel: AI for the SOC — From Detection to Autonomous Response**	Threat hunting, SOC automation, Defender/Sentinel, SIEM, SOAR, and AI-assisted incident response.
14:30 – 15:00	🎯 **Panel: Cloud, SaaS & Supply Chain Security**	Third-party risk, cloud misconfigurations, SaaS exposure, software supply chain, and vendor governance.
15:00 – 15:30	🏛️ **Expert Talk: Cyber Regulations in Europe and Switzerland**	NIS2, DORA, ISO 27001, cyber reporting, board accountability, and compliance as a business driver.
15:30 – 16:00	🏛️ **Panel: Human Risk, Awareness & the End of Click-Rate Metrics**	Phishing, behavior change, culture, security champions, and why awareness needs better KPIs.
16:00 – 16:30	🎯 **Opening Panel: Closing Cyber Panel: What CISOs Must Prepare for in the Next 24 Months**	Practical takeaways: AI threats, ransomware evolution, post-quantum readiness, regulation, and cyber resilience.
17:00 – 19:00	🥪 **Break**	**Networking**

WEB-SET interactive GmbH
Baarermattstrasse 8B, CH-6340 Baar (Switzerland)

SWISS CYBER AI

Main Stage – Cybersecurity

Time	Session Title	Format & Focus
10:00 - 10:10	**Opening of AI Day**	
10:10 – 10:30	🎯 **Keynote: The Rise of Agentic AI and Autonomous Organizations**	How AI is moving from chatbots to agents, workflows, multi-agent systems, and autonomous enterprise processes.
10:30 – 11:00	🎯 **Panel: From Generative AI to Agentic AI — What Changes for Business?**	AI agents, tool use, memory, autonomous decision-making, workflow automation, and business impact.
11:00 – 11:30	🏛️ **Panel: AI Governance, Ethics & Regulation**	Responsible AI, transparency, accountability, AI Act readiness, model governance, and executive responsibility.
11:30 – 12:00	🏛️ **Fireside Chat: AI, Jobs & the Future of Work**	Which roles will change, which skills will matter, and how companies can prepare their workforce.
12:00 – 14:00	🥪 **Lunch Break**	**Networking**
14:00 – 14:30	🎯 **Panel: Enterprise AI — From Pilot Projects to Real Business Value**	Why many AI projects fail, how to scale, how to measure ROI, and how to move from experimentation to production.
14:30 – 15:00	🎯 **Panel: AI Infrastructure, Data & Sovereignty**	Cloud vs. private AI, data quality, confidential computing, model hosting, Swiss/EU data protection, and sovereignty
15:00 – 15:30	🏛️ **Expert Talk: AI Security — Protecting Models, Prompts and Agents**	Prompt injection, data leakage, model abuse, AI red teaming, agent permissions, and secure AI lifecycle**.**
15:30 – 16:00	🏛️ **Panel: AI Startups, Investment & Innovation in Switzerland**	Venture capital, startups, AI ecosystems, universities, corporates, and Switzerland as an AI innovation hub.
16:00 – 16:30	🎯 **Closing AI Panel: The Next Wave — Agent Ecosystems, Robotics & Quantum AI**	Agent-to-agent collaboration, embodied AI, robotics, post-quantum AI security, and what comes after generative AI.
17:00 – 19:00	🥪 **Break**	**Networking**

SWISS CYBER AI

Venue Floor Plan

- *Room A — 800 seats*
- *Room B1 — 150 seats*
- *Room B2 — 50 seats*
- *Room B3 — 150 seats*
